

Etiquette

The set of rules or customs that controls accepted behavior in particular social groups .

Our etiquette

1. Being responsible in group once given or given a task to research on
2. Being punctual to join meeting .
3. Being faithful in contribution.
4. Being communicative to ensure we are in harmony i.e when absence from meeting one need to communicate back.

Rules And regulations of our group

- Ensure one save ksh.10 daily (for now we are young) weekly ksh.70 and monthly ksh.300. NB one is not a must to pay daily but you can also pay more once you get but be in that brackek.
- We have long term and short term goals.
Short term goals are the one like for emergency or for short project.(interest about 8%)
Long term loan is the one fo longer period like 6 months(interest is about 5 %)
- Registration fees (we will discuss this .This money will help to run transactions for the group and group project).We will deduct from savings to be easy then we separate from saving.
- Interest from loans 2% goes to the group to run groups activities 6% goes for the individual.

Other new ideas to implement

- Round table.(this is this weeks gender @Stevee)
- Wellfare of group(will talk about this)
- Sheree for our group members when one ako n sheree we may chip in (will talk about this)
